NEWS RELEASE

August 30, 2018

Due to the severe weather events starting on August 27th impacted our area the Ozaukee County Division of Emergency Management is working with **Impact 211** for County residents and businesses to call to report damages.

To report damages please dial 211 and the operators are ready collect the information, you can also go to <https://211wisconsin.communityos.org/damage-report> and enter your information directly. We need your assistance in reporting to begin the process for the potential of Federal Disaster Assistance.

There is no financial or physical assistance available at this time.

We are collecting these reports to provide an assessment to the State of Wisconsin as well as the Federal Emergency Management Agency in anticipation of a Presidential Declaration for our area.

Again calling 211 or going to <https://211wisconsin.communityos.org/damage-report> and reporting your damages is NOT a guarantee of financial or physical assistance it is just the first step in the process.

If you have previously called your municipality or the county please call 211 or go to <https://211wisconsin.communityos.org/damage-report> and report to them as well.

Again if you have damages from flooding or wind since August 27, 2018 please call or visit the website to report those damages.

In addition to reporting through calling or the website please call your insurance company to report your losses and damage.
